The Club/Team Manager & President/Principal

Dear Sir/Madame,

It is with pleasure that we invite your club/institution/school to the 44th renewal of these Gibson McCook Relays. In this Olympic year, we look forward to an exciting 2020 event, with even more overseas participation. Our relay carnival takes place at Jamaica's National Stadium on **Saturday February 29th 2020**.

We ask you to peruse our website in preparation for the registration of your team. Registration for invitees opens on **December 1st, 2019** via our website link.

Since this is an invitational event, there is no entry fee. Registration will be done via our website. Teams that did not register in 2019 can contact us through the website to enquire about registration.

The entry deadline is midnight of **Monday January 27, 2020**.

Please note that:

- The Committee selects each competing team, firstly, based on its performance over the last 12 months, and then based on lane availability.
- Teams are allowed to list a maximum of 6 competitors of which any four may compete.
- You will be registering your team on line as usual. We ask that you pay very close attention to the entry of dates of birth for every competitor. This is required to verify performances.
- Once you register by the deadline, team entry packages will be available at:
 - The Stadium ticket office from the **Monday February 24th**
 - The Howard Aris Memorial Lecture at the UTECH Auditorium on **Thursday February 27th at 6:30pm**.
 - On meet day before 10am, in front of the National Arena.
- All ISSA age group, IAAF, and meet rules apply.
- Meet rules are posted on our website and will, as usual, be in the team package.
- The publication of the official start list will confirm your team's registration in an event.
- 1st, 2nd, and 3rd place medals will be awarded along with the commemorative Gibson McCook watches for the winners of Championship events. Please ensure that your team is on time for the award ceremony.
- The Neville "Teddy McCook" Trophy will be awarded for the most outstanding performance of the meet, and for the top boys and girls schools.
- There is also a cash award for each Championship record broken.
